ARTWORK

OUR STORY

We have been creating beautiful and one of a kind tattoos since 2001. Our team are all professional artists and we are passionate in what we do. We are based in Shoreditch however also have parlours in Bristol and Durham. We are looking to become the first ever Tattoo Parlour to expand into a national chain.

WHAT WE CAN DO

Our team can produce body art of any shapes and sizes. We have artists who specialise from portraits to creatures. Just drop into one of our free consultations and we will design whatever you want.

OUR ARTISTS

All of our tattoo artists come from a highly qualified and professional background. We love what we do and we love making people happy with our artwork. Click here to see the teams and our portfolio! If you like a particular artists work or style, you can book a consultation with them to discuss any ideas or advice.
